

12 TAXI DRIVERS HELD UP IN GARAGE; ONE VICTIM SHOT

Four Masked Robbers Take \$700 From Line-Up and Escape in Auto.

Twelve taxi chauffeurs who had finished their night's work were in the L. & N. Garage, No. 50 West 144th Street, shortly after 4 o'clock this morning, getting ready to go home, when the chug chug of another machine was heard outside. There entered four men wearing black masks. Each carried a revolver.

"Line up there, you guys," commanded the leader to the taxi drivers, who promptly obeyed.

"Hands up, and not a word out of you."

All the chauffeurs obeyed this too, except John Looney, thirty-four, of No. 407 West 146th Street, whose sense of humor was tickled by the situation, and forced him to laugh.

Apparently the bandits resented this levity in such circumstances for one shot Looney through the right leg, just above the knee.

Then the leader searched the standing chauffeurs, taking about \$700 from the crowd.

When he had finished he commanded the taxi men to "about face," and with his three companions ducked into their waiting machine and disappeared.

Looney's friends put him in a taxi and took him to the Harlem Hospital, where he will remain for several days.

ANGELL SUCCEEDS CARNEGIE

University of Chicago Dean President of Foundation.

Dr. James Rowland Angell, dean of the University of Chicago, has been elected President and Chief Executive Officer of the Carnegie Foundation, to take effect July 1.

The announcement was made by the Board of Trustees through Elihu Root, Chairman. Dr. Angell is head of the National Research Committee. Since the death of Andrew Carnegie, who established the foundation in 1911 with an initial donation of \$1,250,000, and made it his residuary legatee, the Presidency of the foundation has been vacant. Dr. Angell is a son of the late James Burrill Angell, long President of the University of Michigan.

No Interest in Bills, Says Nixon. Public Service Commissioner Nixon to-day denied any interest or sponsorship of the Jones bills now before the Legislature. In the hearings at Albany yesterday, it was intimated that Mr. Nixon was instrumental in framing the bills which would give him control of the fare situation here. "If the bills as has been said, were predicated on my report, it is not my fault," said Mr. Nixon.
